The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Your punctuality needs to improve, be present at the beginning of my lesson

Jade, you are a very able student with very good original ideas. You are a popular member of your group and a pleasure to teach. However, because you are often late for the beginning of the lesson, you are always playing

catch up and it also means I (or one of your peers) must take time out to

explain or show you what you have missed.

Elizabeth Eugene.
