### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Ezgi works well in her group . She is always polite and friendly . Ezgi works with confidence especially in her massage routines. She knows her make-up sequence and is focussed in her practical class. I would like Ezgi to ensure that she keeps her products in an orderly state on her trolley during her facial. Ezgi needs to make sure she attends all her practical classes and to ensure that any appointments she may have are arranged outside of College hours where possible. I am pleased with the progress Ezgi has made this term, well done.

Review Term: Autumn

#### Review:

Ezgi, you have been doing very well. You have completed all the exam papers and your practical skills are excellent. Your beauty teacher also said that you are doing very well too. well done and keep it up

#### Issues Raised:

The only issue i have identified Ezgi and I'm sure you're aware of is your attendance which is falling far below the colleges standards. this can become an issue when i have to progress you into level 2. unfortunately the attendance percentage will be the main factor so unless you improve this it will be difficult to progress.

i am expecting you to improve your attendance by 100% within the next 6 weeks and i will keep monitoring this. i will also review the whole of your attendance after 6 weeks.
