#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

**Smart Targets:** 

Umaru, you have a very relaxed attitude towards learning and this needs to be developed. Over the next 3 months your target is to work as hard as you possibly can on your last 5 assignments, to ensure that you achieve your target grade. Once that is all complete you may then be given the opportunity

to begin working on the merit sections.

Remember to be on time every time.

Review Term: Autumn

Review: Umaru, you have had a rocky start to this year due to your low attendance, low punctuality and lack of work produced. We need to work together to get you back on track, after half term you will be put on a report card so that we can monitor your progressions ensuring you do not fall behind.

Review:
Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.
Umaru is an able student who works hard when he attends. He needs to improve his attendance/punctuality is he has to achieve his qualification.

Review Term: Autumn/Spring/Summer

#### Review:

Umaru, over the last few months your attitude to learning and your behaviour in class has dramatically improved. Over the next few months I would like you to begin working on upgrading your work to merit level.

However you attendance is still a great issue.

Remember to progress to level 3 you have achieved the following:

- · Achieve a Merit overall on your BTEC course
- · Have your attendance and punctually at 90% or above
- · Pass your functional Skills assessments
- · Have a good attitude towards learning
