The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Ensure that the unit is finished by 29/1/12

Meliz you have produced some interesting studies on Photoshop for task two however the unit requires you to explore visual communication in art and design and you really need to complete all of the tasks within the assignment to pass. You have the skills to complete the work but it doesn't always happen

Comments: to pass. You have the skills to complete the work but it doesn't always happe because you are not prepared to put the time in! At this stage with a level 3

course you should be beavering away at home on your days off and in the evenings to keep up. The assignments are designed to enable you to do this

and plenty of support is offered. We cannot do the work for you.

Jeannie Buchanan.
