#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Comments / Reference / Targets

Unit 22 and Maths **Smart Targets:** 

> Hassan did not submit his first assignment for unit 22. His attendance is very poor (66%) and this had an impact on his performance and complrtion of his work. His attendance for Maths is only 25% and it would be difficult to pass the maths exam with that level of attendance. Hassan has the ability to pass

and complete this course, but he needs to improve his attendance and start

submitting some work.

Meena Ossoulian.
