The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

1. Contribute at least once during group activites in the Step Up class.

Smart Targets: 2. Bring a sports kit every Friday.

3. Complete the outstanding Step Up unit on Friday.

Nafisa is a pleasant learner. She is respectful to her peers and teachers and because of this has settled into the class well. I would however like to see her

participate more in group activites, pariculary during the sport sessions.
