The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Personal Targets

Area of Development:	Listening	Debbie Chittock Date Set: 7 November 2011
S.M.A.R.T. Target:	In the diagnostic assessment Sultan scored 10/12 - established. To further improve her listening skills she needs to watch/listen to the news and answer some detailed questions. She will watch the news 7 times and complete 2 listening reports. She will do this by the Weds 23rd November 2011. We checked this target in the tutorial today and Sultan expalined that she had found the task too difficult. I have now asked her to watch a film and complete a Film Report before Monday 16th Jan 2012.	Deadline: 16 January 2011

Area of Development:	General	Debbie Chittock Date Set: 19 September 2011 Deadline: 19 September 2011
S.M.A.R.T. Target:	Sultan is very happy at college and has settled in well. She will continue to attend very well and come to lessons on time.	Doddino. To coptombol 2011

Area of Development:	Reading	Debbie Chittock Date Set: 16 September 2011
S.M.A.R.T. Target:	In Sultan's initial assessment of her reading she scored 3/6 which showed that she is at E3. She was unable to identify the use of capital letters for proper nouns. As such I would like her to write a list of at least 50 words which are proper nouns and should start with a capital letter. These should be from a range of names of people, places, organisations, companies, films books, countries, mountains and rivers, etc. She will give this to me by next Monday (27th Sept).	Deadline: 27 September 2011

Review Term: Autumn
Review:
Attendance - 90%
Punctuality - 97%
Your attendance is above the college target (even though you have had some immigration issues to sort out) and your punctuality is also very good. Keep it up!
In order to improve you need to work on making longer sentences using joining words, writing in full sentences and checking your work for mistakes.
You take your lessons seriously and usually complete your tutorial work and homework on time which is excellent.
You are a hardworking learner and I feel quite confident that you will be able to pass the Speaking and Listening exam and complete all of the Edexcel Personal, Social and Development portfolios on time.

Review:

Sultan is progressing quite well. Unfortunately her attendance is not very good due to family/housing problems. She is quite confident and always tries to answer questions in class. She sometimes talks too much in class and has to be told to listen to the teacher.

She marginally passed the recent speaking and listening exam at E2. She is quite a confident speaker but she lacks vocabulary and the correct grammar suitable for E2 at times. She needs to concentrate on prepositions, using the correct tenses and forming questions.

She didn't make any mistakes with listening part of the mock exam but still needs to practise her listening more by completing her tutorial targets and watching as much TV at home in English as she can. In addition she needs to find friends and social activities which will involve her speaking English to increase her language skills.
