Comments / Reference / Targets

Review:
Sameer, you have had a rocky start to this year due to your low attendance, we need to work together to get you back on track, after half term you will be put on an attendance report card so that we can monitor your progressions ensuring you do not fall behind. However when you are in college you are a very hardworking student, let's make a change this term.

Review:
Sameer is a quiet member of the group. He needs to participate more in class and put in more effort in his work.
He will continue to work on using comma and apostrophe correctly in his writing.
