The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Continue to improve attendance and punctuality to ensure you do not fall behind with work.

Smart Targets:

Complete work before the deadline to get it checked in time to make appropriate changes to achieve higher grades.

The Level 3 Creative and Media Diploma is designed to provide learners with a wide variety of practical and theoretical skills in the Film and Video Production Industries, Print-Based Media Industries and Interactive Media Industries, whilst enhance learners with theoretical knowledge relating to job roles and career paths in the creative media industries.

Comments:

Louise's attendance and punctuality is poor, but she is aware of this and has already started to improve. In Louise's Print-Based Media sessions she had to research what the magazine industries are about and how they research into target audiences for their products. Louise then had to produce her own research and make a magazine cover based on this. Louise missed the first deadline and due to this she may not achieve higher than a pass grade for these units if she has not fulfilled the criteria. It is important for Louise to meet the first deadline so the work can be assessed in time to allow Louise to make appropriate changes before the final deadline. For Louise's magazine cover she has done extremely well in this unit and handled Adobe Photoshop software confidently and competently. Louise now need to meet her smart targets to push for higher grades. Nonetheless, for this first term she has worked well and will continue to improve throughout the course.

Smart Targets: Louise must attend all classes and arrive on time as well as remaining

focused in class at all times.

This term the students have been analysing TV advertisements in great details in order to produce and edit their own advert in the second half of Term 1. The students also had to pitch their idea to their teacher and peers. Louise is a very pleasant and motivated learner who has a very positive influence on the rest of the group. The quality of her written work is very good to excellent although more attention needs to be paid to details (checking all formatting is consistent in powerpoint presentation). Louise has got a very high creative potential which has been demonstrated in the making of her advert in Term 1. Louise can potentially obtain the best grades providing that

she attends all classes and concentrate at all times.
