The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: Felipe has been working quite well this term but sometimes doesn't make enough effort in classroom activities. If this improves, he shouldn't have any problem in passing the Speaking and Listening exam.

Issues Raised: None
