The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Attendance 98.21%

Punctuality 98.18%

You have completed 1 workskills assignment and 1 must be completed by 9th January.

Well done with maintaining a good attendance throughout your course.

Speaking and listening - You are on track to achieve but you also need to develop skills for note taking when listening for specific information

Your reading and writing is improving. In the last mock test for reading you scored 88%. Well done.

Your writing is generally strong at E3 but you now need to use paragraphs to structure your writing, group ideas and sequence the order of events.
