#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

### Comments / Reference / Targets

**Smart Targets:** 

Comments:

Nazli is a quiet individual. Sometimes she gets distracted by other students and does not complete all her work. Nazli is capable of passing the exam if she does not get distracted. Needs to learn more of her times-tables.

Understands addition, subtraction and some division.
