The Learner Review Procedure

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:

Make sureyou arrive to all your lessons and ensure that you arrive on time, the start of the class session is very important so that you do not miss the aims and objectives. **Yasmini**your attendance/ punctuality is very good make sure you keep this up, you also have a great/ positive attitude to your studies and you work very well with your peers during classroom activities (well-done).

You need to make sure you hand in your deadlines on time so that the appropriate interim feedback can be given by your assessors, this will also give you the opportunity to pass the unit on time as well as improve your grades.
