#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Andre has ma de a great start to the year and is enjoying his course. His work is always of a good standard and he completes it on time. His FS classes are going well and I hope that he will be able to pass his exams at the end of the year. His English is better than his Maths however I am confident that he will acheive in both as well as the main program. Keep it up! well done!

Smart Targets: Improve ICT by working on tasks entirely on your own.

Comments:

The level 1 Creative Media course is designed to equip learners with a variety of skills in video production, music technology and graphic design, whilst encourage learners to develop their understanding of creative media job roles and media knowledge. In addition to this, learners are to attend functional skills classes to improve upon basic numeracy, literacy and ICT.

So far learners have completed an induction activity whereby they learnt about the creative media sectors and job roles. Learners are currently working in small group to film a trailer for a specific genre and to target a specific audience.

Andre's attendance and punctuality is excellent. Andre works very hard and produces work to a good standard. Andre is enthusiastic and makes very positive contributions to the class. Andre is currently working in a group and filming a horror trailer and has depicted excellent team work skills whilst projecting ideas to the group to help improve the trailer. Keep up the good work.

In ICT Andre is working hard and with more practice he will be able to pass the course, however, he does need to work on his own more to ensure he understands what to do.

Sherine George.
