The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Smart Targets:

Maria, you can show a mature attitude to your learning, however you can

Comments: easily loose concentration and distract or be distracted. If you find this continues to happen, you may need to move away from sitting with your

friends. You will be missing vital information and this will affect your work.

Elaine Lee.
