As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### **Comments / Reference / Targets**

Smart Targets: Greg's Units

At times when you focus away from the crowd and concentrate on the lesson

you show good potential and ability.

Comments: I would like to see more effort in class because I believe that you have what it

takes to do very well on this demanding course.

I suggest you exercise more effort (especially for Unit 14) to help you realise

your true potential.

Gregory Scott.
