The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Assessment

Comments:

Kadeem it is time to get ready for the electrical lighting wiring assessment which I think you will have no problem with. The quality of your practical work is very high well done for that. The classroom work ethic needs a little push from me, now I need you to be take control and push yourself. Tony Antoniou.
