The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:

Well done you are well on the way to passing hand planing unit 107 and four credits in the bag.

Review Term: Autumn/Spring/Summer

Review: Yilmaz you have produced some good work this term but I don't think you are showing all you are capable of. I believe that if you really put your mind to it you can produce even better work. Maybe a change of "friendships" in the classroom will do you good and help your concentration. I would suggest that for the New Year you make a resolution to attend all of your classes with the correct equipment i.e. pen, pencil, paper ruler and folder.

Issues Raised:

Review Term: Spring

Review: Yilmaz, you have worked well in your practical subjects and are on target to complete your 13 credits. Please keep an eye on your other subjects and keep up the good work.

Issues Raised: Your attendance for functional skills in Mathematics is currently 79.49%. We need to see this improve to 82% by 21st March 2012. you have not be given any new cause for concerns since 22nd November 2011, well done.
