As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Practice observational drawing at home

It is vital that you draw at home to support the work that we do in class, we

have very limited time for this unit and a great deal of work to get through.

Practice the skills we learn in class and you will quickly become skillful

drawing from obsevation.
