The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Spring

Review: I'm more than happy with your progress things have improved. But there's no escaping the fact that you still need to do your key Skills. Your on target both with practical and theory.

Issues Raised: lack of key skills attendance, this needs to be done no later than Easter.
