## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Shenese has worked very hard this term. She has grasped the routines and skills needed for the level she is at. She works quietly and with diligence. I would like shenese to be able to work on clients next term as I feel this will increase her confidence and strenghten her belief in her own abilities. Shenese has a good attendance record. Well done Shenese!
