The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

TO IMPROVE HER ATTENDANCE TO ALL SUBJECTS THESE ARE AT 60-

77% WHICH IS NOT ACCEPTABLE.

Smart Targets: \Danielle will need to catch up with her work she has missed expecially G3

and be able to sit her exam next week.

Danielle is a lovely young women ,however her lack of attendance is now

interfering with her completion of work especially in practicals. Danielle has quiet a lot of practicals to complete still and if she does not attend regularly

she will find that she may not pass.

Review Term: Autumn/Spring/Summer

Review:

Working at a steady pace this term.

Practical assessments actioned and on-going for all units.

To work on practical assessments as per action plans in portfolios (GH1, GH2, G20, GH4) with the view of completion in May.

Issues Raised:

attendance to all classes is very low. Danielle must improve this if she is to remain off report.
