The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

You are progressing well on your chosen course of level 2 Hairdressing last year you successfully completed level 1. I am aware you are interested in level 3 hairdressing however the IA is scaring you.

Don't be put off with the thought of a test. Once you know the knowledge and you take time out to read all the questions you may be given extra time.

In-house we may consider designing an ESOL IA at level 3 this will help you to feel more confident and show you where your weak areas.

Issues Raised:

I am happy that you are looking into working in a salon in your spare time, I would also encourage you to come into one of the 2nd year classes to observe others; this will help you to build confidence.

How - visit the style zone reception and asks for the days of the 2nd year classes.

Also speak to family and friends about booking in for you as a client as you will need them for assessments in block 3 also take a price list.

Jennifer Hylton.
