Review Term: Autumn/Spring/Summer

Review: Rotimi the work we are doing is not beyond your abilities you just need to be focused, this means stop chatting to others and concentrate on your tasks. You also need to complete your targets. I would suggest that for the new year you make a resolution to attend all of your classes with the correct equipment ie pen, pencil, paper ruler and folder. Log on to your account at

http://keyskillstrainer.excellencegateway.org.uk/login.html

andlook at calculations to do with time, money, decimals fractions and averages.

Review: Your are showing good progress in your practical subjects and have obtained 8 credits out of 13, well done. We need to see the same results for your maths and workskills subjects to make this a successful term.

Issues Raised: Your attendance has omproved since 22nd November 2011 and now stands at 94%. You do not have any new cause for concerns, well done.
