The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Continue to improve punctuality.

Smart Targets:

To ensure you pass the course you need to meet all deadlines set to enable you to get the feedback you need.

Louise has improved her attendance and punctuality and this shows in her work. Unfortunately she has been removed from GCSE English and therefore this has decreased her chances of getting into university as this is a must for most courses. For media Louise is working really well and demonstrating great enthusiasm towards the tasks at hand. Louise produced a great magazine cover last term and this term she has been working really hard on her Music video and televising ident project. If Louise wants to achieve higher grades she needs to pick up the pace with her written work and complete tasks set by the deadline to ensure she gets the appropriate feedback to

improve.
