The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Attendance 90.79%

Punctuality 94.2%

You are making good progress at E3. Although you have had a health problem I am confident you can keep up with the work. Well done.

Speaking and listening - You are confident in speaking but it would also be good for you to ask the opinions of others in the class e.g. 'What about you what do you think'

Reading - In the last mock test you scored 79% for reading, well done. You are confident but need to identify the meaning of words or phrases in text.. Check your answers with a classmate

Writing - You are confident but sometimes rush to complete the set tasks. Please proof read and check your work for grammar, spelling and punctuation before you submit. You should also use more connectives in writing e.g. and, but, because, so.
