The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

You have settled into the class and contribute in every lesson. Well done! However, due to your absence I have not been given much homework. Please make sure you talk to your study buddy and catch up what you have missed. Homework and independent study are important aspects of your course and your future success. Good luck!
