Comments / Reference / Targets

Smart Targets:

Units completed to date are UB 100B3 Assist with Day Make-up, UB 100B1 Prepare and Maintain Salon Work Areas and B2 Assist with Skin Care Treatments.

Comments:

Blenarta is a pleasant and friendly member of the group. She works well with her peers and is a helpful member of the group. Blenarta can sometimes be distracted by her peers and can miss instructions that are said in class. I would like Blenarta to really concentrate in the practical class and focus on learning the units she is being taught. Blenarta needs to practice her facial routine on a weekly basis and she needs to be sure she knows her products ensuring that she can choose the correct product for her clients skin type. I would like Blenarta to practice the knowledage she has accquired to help embed what she has learnt to date, especially as we will move on to new units next term. Blenarta has a very good record of attendance. well done.
