The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Modules:			
FD2MAPS1-1DA11C/FSM FS Maths			

Comments / Reference / Targets

Ferdi works hard in class and I have seen gradual improvement in the standard of his work. He did not achieve a pass grade in his recent test

standard of his work. He did not achieve a pass grade in his recent test

however if he continues to work hard and revise well for the test he should

manage with a pass grade in this subject.
