As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn
Review:
Attendance 100%
Punctuality 98.82%
You have excellent attendance, well done. You are gaining in confidence and work well with others. you work hard and complete set tasks but need to ask for clarification when you do not understand something. Often you are very quiet and will only contribute when directly questioned.
Speaking and listening - you are generally accurate in your speaking but need to listen carefully for specific information. For the exam, briefly note the question and focus on the specific information for the answer. Listen to the news and identify the main points.
Reading - in the last mock test you scored 56% and in the real exam this would be below pass. You need to read text text identify the main points. In the exam read the question and scan text for the specific information.
Writing - you are gaining confidence and generally your writing is improving. You need to proof read and check your writing for grammar, spelling and punctuation before submitting. Your spelling is improving but you need to remember not to mix capitals and lower case in your writing.

Review Term: Spring

Review:

Attendance 94.3%

Puncuality 98.8%

Constance is an able student who usually works well but sometimes gets distracted. Sometimes she works very well but at other times she seems to want to do nothing at all.

Constance needs to work on her spelling, use of tenses and punctuation in order to improve her writing. She also needs to practise reading for detail in a text.

She does not always complete homework and tutorial work on time.

She will need to work hard in all her lessons to complete all of the Edexcel Personal & Social Development Units within the deadline. I am confident that with continued effort she will be able to pass the Entry 3 Speaking and Listening exams in April.
