The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

You have worked really hard this term! You have been able to grasp the sequence of the facial and Make-up application. You need to practice these at home to help improve her skills and increase her confidence. I would like you to work on clients next term and to especially practice your client consultation at home. This will help you as, I know, completing a treatment on a client is a challenge as English is not your first language. Well done Agnieszka, keep up the good work!
