#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Lakeisha is working well in her theory classes so far, she shows understanding of the subjects. Lakeisha needs to chat less in class and contribute more to class discussions. Lakeisha has the knowledge to succeed but she must concentrate more and not get influenced by others in class. We are currently working on GH9 and G15 units and Lakeisha is responding well to both subjects.

All the learners are working on their presentations.

Lakeisha has worked hard on her presentation. She has researched the subject, taken the relevant facts, some original ideas/opinions and put them into a power point presentation.

She needs to improve her use of the apostrophe, the comma and some common spellings.

Comments:

You are at the final stages of your chosen course in hairdressing, at this stage you only have a minimal number of outcomes to be achieved. As the New Year has approached us your academic year will end before you know it, so I strongly advise you to think SMART by

Sending out broadcasts tweets to your family and extended friends to be models for you or your pears to gain assessments

Approach people on your everyday travels with your specific needs

Enquire at the style zone for additional sessions for maximum assessment opportunity

Book your reception duties ASAP so the unit can be signed off

Use city and guilds revision tasks when preparing for exams in order for maximum results

#### Arising

If you are considering in progressing onto level 3 hairdressing or any other course in the college you are required to adhere to the colleges minimum target grade of 87% attendance, so my advice to you is to attend every session if you would like to see yourself enrolled on a course in September 2012!

Lakeshia is a likable member of the group.

She is a capable member of the group. she is willing to learn and will ask questions and for assistance if she is unsure. however, she is sometimes easily distracted by others in the group and she does not focus on the task in hand. she has recognised this fact and at times will take herself away from those who can distract her,so as she can concertrate on her work.approve

Lakeshia now needs to continue to practise her cuts in the cutting programme and then work on improving her timings.smile

Review Term: Autumn/Spring/Summer

Review: Autumn September 2009- November 2009

#### Issues Raised:

Lakeshia has had a slow start to level 1 Hairdressing. Her attendance has been poor due to illness and this really needs to improve. Lakeshia is very polite and easy to get on with, which shows in her interactions with her Peers.

Lakeshia needs to make sure she catches up on anything she has missed to ensure seccessful completion of this qualification.

Maria Rees.

Review Term: Autumn/Spring/Summer

Review: Spring

Issues Raised:

Lakeasha's attendance has not been great this term, I'm disapointed as She is a highly motivated learner and could complete the qualification early if She did not miss so many lessons.

Lakeasha's practical work is very good, she is a pleasure to teach and really listens and follows directions.

She has proved that She can revise for her online exams through the results that that she got for her first exam, lets see more of that.

Lakeasha you need to focus so that you can complete.

Maria Rees.

Review Term: Autumn/Spring/Summer

Review: Lakeshia in a good natured student but has a tendency to do as she pleases, attending now and then, but when Lakeshis attends she is focused and communicates well independently and as a class member. Lakeshia has revised for her exam and the results reflect in the high marks she has achieved. I hope Lakeshia continues in hairdressing and gives the second year her full potential.

#### Munuse Azizoglu.

Lakeshia is progressing well in her subject areas and seems to be enjoying her lessons. I would like Lakeshia to now concentrate on attending on time and completing her set work as set per lesson. Lakeshia needs to action plan herself and learn to meet deadlines that are set. I am confident she will do this and will find that her work load will become easier to manage.

Munuse Azizoglu.

Review Term: Autumn/Spring/Summer

Review:

Lakeisha has been on behaviour contract and this has helped her to attend more frequently and to be more focused in class.

She has attended better however recently this has lapsed again. Lakeisha must now revise all her work so she can sucessfully sit her exams .

Lakeisha is trying hard in class and has more focus.

Issues Raised: on behaviour contract/attendance has lapsed again.
