#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### **Comments / Reference / Targets**

**Smart Targets:** 

Modules:

Frank continues to work well at college and all his assignments are at PASS level minimum. He often completes work to MERIT level and I feel that he

should aspire to this grade for all work by the end of the semester. He is clearly capable of working at this level and by managing his time effectiveley

there is no reason he should not acheive it.

Review Term: Autumn

Review: Frank has made a strong start to the course. His attendance and punctuality are superb and his ability to work as an individual or in part of a team demonstrate his potential. His work is always completed on time and to a high standard and I feel that he should set himself the highest possible targets over the coming months. Go for it Frank!
