## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

At the beginning of the course the group has been learning on **Unit H1**shampooing and conditioning hair and **G1**Health and Safety in their theory lesson and put those units into practicing them in their practical classes.

Sara has been punctual to all her lessons and regular in her attendance, always keen in both practical and theory lessons and always a team player during the practical lessons by helping and assisting the level 2 and willing to help others.

In practical Sara is keen to show her skills and knowledge on the areas of strengths but willing to assist and learn new skills.

Sara is hard working keen to learning and I will encourage her to keep up wit the hard work, Sara is a joy and a pleasure to teach.

Smart Targets: Complete test on - Unit 202 Health and Safety,

Unit 203 Advice and Consult with client

Sara, you have prior knowledge as this is your second year of hairdressing which has been helpful with her input during lessons, and you do a lot of

research into the units that have been covered.

Comments: Reading and filling in the unit pack will assist you, and give you the

opportunity to high-light word or anything that you do not understand for the

support teacher and myself to explain.

keep up the good work.

#### Review:

Your attendance and punctuality is above the college average. Well done! Please keep this up as you are a role model for the rest of the group.

You are on task with regards to hairdressing skills and course work.

I am happy you feel confident in cutting, and you are using U tube to support your training needs, and you love hairdressingsmile

I advise you to come into one of the 2<sup>nd</sup>year classes to observe others; this will help you to build confidence.

How - visit the style zone reception and asks for the days of the 2nd or 3rd year classes.

Its fantastic that you have your own salon at home! you have your own client from your church both Afro and Euro this will help you to build on yoir skills for level 3

#### Issues Raised:

You have applied for level 3 hairdressing, taking into account you have progressed from entry level to level 2.

I would encourage you to continue go to the mentoring sessions and drop in sessions to build on your IT and literacy skills as this will help you to achieve the course with ease.
