## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Attendance and punctuality: Nazmi has missed 2 classes so far. His punctuality is usually excellent but he has been 15 mins late once.

Attitude to learning is good. Nazmi takes his learning seriously and fully engages with the tasks.

#### Issues Raised:

He needs to ask for help more often as sometimes he doesn't understand the vocabulary, but does not say so. This holds him back and prevents him from getting the right answer in his comprehension tasks.
