- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Neil has been studying the brickwork element of the engagement programme this term. Neil has constructed a number of brickwork projects and learnt how to safely erect and dismantle scaffolding.

Neil has excellent ability in brickwork. He displays a mature and analyitical approach to any given tasks and always produces work of a high standard.

Neil is a very likeable and friendly young man, who is valued by his classmates. I have very much enjoyed teaching Neil this term and have extended an invitation to accept Neil as a full time brickwork learner after Yr11, if he wishes ti follow this career path.

Neil's tragets for the remainder of the engagement programme are to keep up his high standards of workmanship. Attend all clalsses punctually and to keep focussed on his work.

I wish Neil every success on the remainder of the engagement course and in his future study. Well done on a fantastic start to the engagement course.

Jamie Purser.

Review Term: Autumn/Spring/Summer

Review: Neil has settled into the group and has shown good use of hand skills in the workshop, he has completed 3 training tasks and shows good awareness of H&S. In theory he has nearly completed Unit CC1001K and will sit the online end of unit questions in the next couple of weeks

Review Term: Autumn/Spring/Summer

Review: Both me and Joe are concerned with Neil, hes attendance is below the college target and has become a problem. There has been little progress this term especially with his practical skills. He really needs to address this next year.

Issues Raised: Attendance and Progress
