- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Attend the next 2 lessons bringing your folder, paper, pen, pencil and ruler.

Smart Targets:

Look at your bksb diagnostic results and complete the first of the Interactive Resources exercise. Print off the results and bring them to your class.

Comments:

We have been doing work involving place value, multiplying, dividing, subtracting and dividing. We have also looked at calculations to do with time in various formats. You have shown an understanding of when to use the different calculation methods. You need to attend all lessons in order to achieve success on this course.

Review Term: Autumn/Spring/Summer

Review: Luke you have produced some good work this term but I don't think you are showing all you are capable of. I believe that if you really put your mind to it you can produce even better work. Maybe a change of "friendships" in the classroom will do you good and help your concentration. Try it for the New Year.
