- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets:

Wrong Photograph... Victoria is doing well with her work and is up to date, she always takes part in group discussions and has a good understanding of

Comments:

the requirements of the unit. I expect her to do well at this level. Her

attendance is good ,(Last two sessions ,family problems) and she is always

on time. Well done

Comments / Reference / Targets

Smart Targets: Take time not to speed up your ideas Comments: You will do well on level 3, you are ready.

Congratulation on the body of work produced for this unit. From the beginning you were very able and independent. At times however, you tended to speed ahead with techniques and there appeared to be little thought/time for real development of ideas.

Victoria, you are a pleasure to teach. You are hardworking, focused and

imaginative. You take on board all techniques taught and expand on it, this is the mark of a creative thinking student, one who is able to expand, develop

and produce original outcomes. Well done.
