The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Jermall, you are working well in your functional skills lessons but you need to attend more lessons and on time to make the most of our time in these maths lessons. We need to work together to get you to a standard to be able to pass your functional skills maths exams in May 2012 which, if you can improve your punctuality and attendance is a very achievable target.
