The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Irfaan is a pleasent member of the group who works well with everyone. He works to his best ability in his practical class and is always smartly dressed in the correct uniform. Irfaan needs to practice his facial routine and make-up applications at home. This will help Irfaan to remember the correct order of the facial and increase his confidence. I hope Irfaan will continue to ask for help when he needs it in class. His punctuality and attendance is excellent. Well done Irfaan!

Review Term: Autumn

Review:

Irfaan you are progressing very well within your course, you have met all your targets and your beauty lecturers are also very pleased with your progression and achievement.

Issues Raised:

For the next block i would like you to work a little bit more on your practical skills to improve before i will give you a client, you could do this by:

- 1. practice on your block at home regularly
- 2. watch demos on line
- 3. get personal one to one assistance from a peer or teacher

i would give you a frame time of 6 weeks before i review your progression.

main area for improvement is blow drying and setting hair
