### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### **Comments / Reference / Targets**

Keep taking your notes which you will need so much to help you with the Unit **Smart Targets:** 

103 on-line exam which i am entering your group to sit just before the

christmas break.

You seem to keep yourself to yourself. You seem to be getting on well with

theory also with your practical work. You are doing very well with your attendance and punctuality in every session apart from FS Maths which is

poor. You need to attend FS Maths as it is part of your course. Keep trying.
