As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets Review Term: Autumn/Spring/Summer Review: Autumn Issues Raised: BEHAVIOUR Insancan this is not what i like to base reports about but it seems at the time of writing this report it is a area that needs dealing with reports from other staff feeling the same way as you are aware you are no a behaviour contract and you must improve on this .On a good note you are showing good signs of some improvement you must keep this up time keeping is good so all in all its behaviour Roger Green. Review Term: Autumn/Spring/Summer Review: Issues Raised: Roger Green. Review Term: Autumn Review: Insancan you are working well in your functional skills lessons but you need to concentrate more and stop spending too much of your time chatting and messing about when there is still work to do. We need to work together to get you to a standard to be able to pass your functional skills maths exams in May 2012 which, if you can reduce the amount of time chatting and messing about is a very achievable target. Review:

Ihsancan your work and progression upto this point has been good and apart from your chatting that sometimes gets excessive you are a pleasant student to teach in both workshops and classrooms . Keep up this work ethic and progression onto next years course should be an easy one. Well done..
