The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Ceylon has of late started to work. Initially she did not work much and copied answers from other students to complete classwork. Ceylon needs to focus and not get distracted by other class members as she is capable of doing the work. Needs to learn more times-table facts.
