The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

In the Duration of lessons that Cathy has attended, she has contributed some positive input to class discussion and work required. Lisette D'Cruz.

Review Term: Autumn

Review:

Your attendance is not very good due to personal reasons, please try to book appointments out of college time so that is does not interrupt with your chosen area of study.

However your hairdressing skills are good and you must continue to practice

If you keep up with the tasks set by your tutors you will find it very easy to complete tasks failing that you will struggle, we will offer you mentoring support that will motivate you and keep you on track. Please feel free to speak to Sara in your group for a testimony

Issues Raised:

I would advise you to visit the LRB or mentoring for 1-2-1 skills for IT, and literacy this will help you for progression at level 3 hairdressing.

It's a walk in session on the 2nd floor and any of the teachers will assist you.

Jennifer Hylton.
