- 91% to 87% is amber status
- 86% and below is red status

The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

Use BKSB resources along with recommended websites to review and **Smart Targets:**

consolidate fractions, decimals and percentages for the next two weeks.

Comments:

Samira is able to analyse a given problem and can calculate using all four mathematical operations. Good!! However, shecan be both distracted easily by certain members of the group and cause disruption to others by being very talkative. She must focus on the task in hand at all times. Amanda Smith.
