The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Jonas started the course late and missed the first two or three weeks. Since then he has caught up and does not become distracted by other class members. He understands addition, subtraction, multiplication and division. A joy to teach as he is very enthusiastic about maths.
