The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Sasha started late and has not yet been able to catch up with the work although she does try and puts in the effort. It would help if we could take some time and help her with essays. She is a strong member of the group and takes part in the discussions, Well done Jim Jack.
