As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:	
Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.	
Ola is a polite learner who participates well in class. He puts in a lot of effort in his work, but often misses out at the beginning of lessons due to lateness. He needs to improve in this area.
