The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Focus more during studio time

Tiffany, well done on the work produced so far, as usual you are advanced in terms of the speed of your work. However, do not sacrifice the quality of your work because you want to produce it quickly. Remember you have collected visual research for a reason, use the images collected to aid you in your

design ideas. Stretch yourself further to produce original ideas that you have

been thought of by you.

Elizabeth Eugene.

Complete Dave Mckean task

Smart Targets: Complete task 2

Tiffany when you are inspired you fly and then you stop and become unproductive. Imagine the grades you would get if you worked to your optimum all of the time and did not indulge the side of yourself that decides

not to work on any given day. Lets be amazing Tiff all the time for me please.

Jeannie Buchanan.
