The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

THIS IS FOR UNIT 22....Malaika has handed some work but this needs to be developed and expanded, work downloaded from the net will not do. she has shown some improvement and needs to hand in an essay on Setting up a Business as well as costings for equipment. In danger of falling behind.

Smart Targets: Draw from observation at home

It is vital that you draw at home to support the work that we do in class, we have very limited time for this unit and a great deal of work to get through.

Comments:

Practice the skills we learn in class and you will quickly become skillful

drawing from obsevation.

Malaika, as you have not been attending my classes it is very difficult to write a report, however I know that you are attending other classes to make up for th unit that you are not doing with me. Please let me know if there is anything that I can do to support you in the meantime.

Smart Targets: Complete task 1 of assignment brief

Students are working towards the creation of a Stop Motion Animation TV advert. Learners are currently researching the historical developments of film and editing techniques and Stop Motion Animation. For task 1, students are to write a report and produce a timeline illustrating the history of Stop Motion

Animation.

Malaika has excellent attendance and punctuality, her report is coming along

nicely and I am confident that Malaika will achieve a distinction grade for task 1 of the assignment brief. Malaika will excel in this unit because she has excellent concentration skills and the drive to succeed in any task given to

her. I look forwards to seeing her Stop Motion Animation ideas.

Sherine George.
